INDIVIDUALITY

There is "individuality about eye glasses the same as dress. Not every one can be fitted with the same clip and spring. Eye-glasses should be made to fit the face becomingly and a small featured person needs a small-er lens than one with a broad face. We fit each individual, and take all necessary care without piling the

ROBEERY AT WALL'S.

Another daring burglary was committed Monday night, this time at the Wall residence at the corner of King and Richards street. The invaders re-moved from a small cottage standing in the back of the main building, but in the same yard, a large trunk belonging to Dr. Alfred Wall, who is just at present absent on Hawaii. The trunk was discovered the next morns ing in the palace yard to which place it had been carried over the high iron fence which surrounds these

When the trunk was found, it had been completely rifled. Only some papers which had been left there by the ourglars. Owing to the absence of Dr. Wail, it is not known at present just what the trunk contained. The tamily knows, however, that the doctor used to keep in it a number of medals and there will be a chance for more which he had won as prizes in rifle men than entered the first contest. shoots and also about \$15 in Hawaiian for years.
